What you'll see today

- Usability Improvements & New Concepts based on our interviews of customers and consultants
- Multiple choices in each case
- Areas we will cover:
 - Faceted filter and search
 - Representing policy center libraries
 - Holistic App Concepts
- Ability to mix and match components
- Looking for your feedback

This working copy is governed by the Basic workflow.

Status: Uncommitted

The Working Copy is Uncommitted, which means that changes are being made or are expected to be made. Any change created so far is 'work-in-progress' and has not been written to the production copy.

Freeze for review

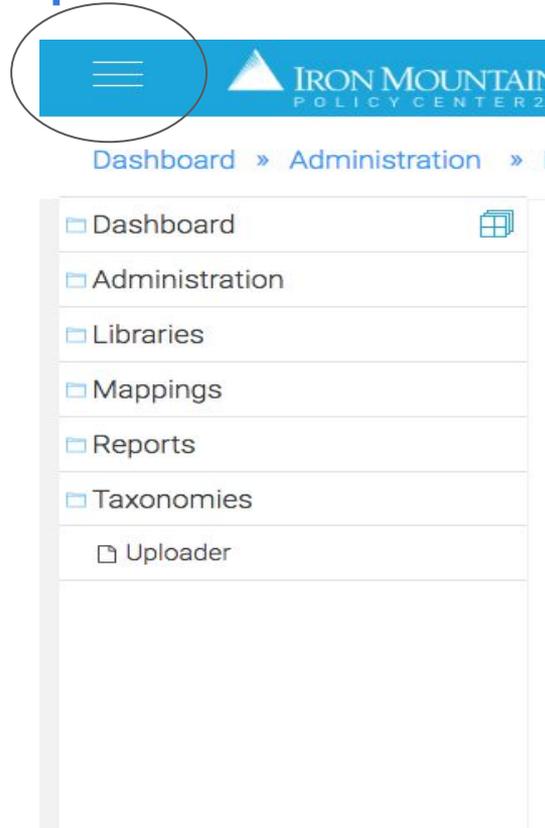

Changing the status to Frozen for Review means that the changes are being reviewed. Edits are not permitted while in this state, but comments can still be posted.
